V. Facility Identification Codes¹

This information can be found in the relational data product data support table **tlkFacility**. For a current list of facility information, please refer to <u>Appendix 1</u> in the WIpop Data Submission Manual.

Veteran Care Hospitals

No patient record data is available for the following:

Code	City	Hospital Name
175	Tomah	Veterans Affairs Medical Center
176	Milwaukee	Clement J. Zablocki VA Medical Center
177	Madison	Wm. S. Middleton Memorial VA Hospital

Facility Closings and Mergers and New Facilities

*Due to facility closings and mergers, data has been combined from certain facilities and assigned a new facility identification number for purposes of analysis. Purchasers of data may find it useful to know the dates when such changes have occurred. Note: All facility closings and mergers prior to 2020 Q1 have been excluded from this table. For historical information prior to that data release, please contact WHA Information Center. Facility information can also be found in the relational data product data support table **tlkFacility**.
