

Tier 2A - Annual Data Set Fees for Wisconsin Ambulatory Surgery Centers

Fixed-Width Data Sets

Each Wisconsin ambulatory surgery center (ASC) is assigned to a pricing tier. In purchasing the Fixed-Width Data Set, the facility receives Inpatient, Outpatient Surgery and Emergency Department Data, along with Physician-Enhanced Data.

Tier	Annual Fee
1	\$676
2	\$1,471
3	\$2,722

Relational Data Sets

If a Wisconsin ASC purchases the Relational Data Set, the pricing includes an additional 15% fee to the Fixed-Width pricing. The facility would receive Inpatient, Outpatient Surgery, Emergency Department and Observation, along with Physician-Enhanced Data.

Tier	Annual Fee
1	\$777
2	\$1,691
3	\$3,131
