

Tier 2A - Annual Data Set Fees for Wisconsin Hospitals

Fixed-Width Data Sets

Each Wisconsin hospital is assigned to a pricing tier. In purchasing the Fixed-Width Data Set, the facility receives Inpatient, Outpatient Surgery and Emergency Department Data, along with Physician-Enhanced Data.

Tier	Annual Fee
I	\$468
2	\$928
3	\$1,194
4	\$1,828
5	\$2,804
6	\$4,491
7	\$7,033
8	\$10,768
9	\$14,680
10	\$22,636
11	\$31,362
12	\$72,770

Relational Data Sets

If a Wisconsin hospital purchases the Relational Data Set, the pricing includes an additional 15% fee to the Fixed-Width pricing. The hospital would receive Inpatient, Outpatient Surgery, Emergency Department and Observation, along with Physician-Enhanced Data.

Tier	Annual Fee
I	\$538
2	\$1,068
3	\$1,373
4	\$2,102
5	\$3,225
6	\$5,164
7	\$8,088
8	\$12,383
9	\$16,882
10	\$26,032
11	\$36,067
12	\$83,686

Standard Relational Data Sets & Other Hospital Outpatient (OHO)

The pricing below includes all data types, including the Other Hospital Outpatient (OHO) Data. The OHO Data includes an additional 15% fee of the relational pricing. The OHO Data Set is only available in the relational format.

Tier	Annual Fee
I	\$619
2	\$1,228
3	\$1,578
4	\$2,417
5	\$3,708
6	\$5,939
7	\$9,301
8	\$14,241
9	\$19,414
10	\$29,937
11	\$41,477
12	\$96,239
